Hi Bob,

In my opinion, it would be appropriate to nominate Wenlan as a Weimer Fellow.

Take care,

David

Dear David and Jeff:

I seek your counsel. Could you advise me if I should nominate Wenlan and/or Victor for postdoc fellowships or Weimer fellowships? Wenlan is in the process of seeking promotion from assistant professor to associate professor, with tenure, at the National University of Singapore. Her academic see the is advanced, and she might be eligible for the Weimer fellow - - international status. Victor is a younger academic; a freshly minted assistant professor at Berkeley. He would be nominated, of course, for a domestic position. Thanks for your advice and counsel.

Cheers.

Bob

Dear David and Jeff:

Please find attached the CVs for **Wenlan Qian** and Victor Couture. I would like to nominate Wenlan for an international post doctoral fellow position; and, similarly, nominate for a domestic postdoctoral fellow position. Please let me know if it is additional information or procedure that is necessary to effectuate these nominations.

See you soon.

Cheers and regards.

Bob
